COURSE OVERVIEW

This course is designed to develop students' listening, speaking, reading, and writing skills in Chinese and an understanding of Chinese culture. Class lectures and homework and tests are intended to help students to meet course objectives.

COURSE REQUIREMENT

Weekly homework and class assessments are assigned to help students consolidate learning objectives. Students need to finish all the homework and assessments on time. Students are recommended to practice reading and write a weekly diary. Two tests will be conducted to monitor students' learning outcome in the middle and end of this semester.
